The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, CA 90012

Dear Supervisors:

**REQUEST APPROVAL TO ESTABLISH COUNTYWIDE PARTICIPATION IN THE
MEDI-CAL ADMINISTRATIVE ACTIVITIES/TARGETED CASE MANAGEMENT
PROGRAM – INFRASTRUCTURE ESTABLISHMENT
(ALL SUPERVISORIAL DISTRICTS)
(3 VOTES)**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve the countywide implementation of the Medi-Cal Administrative Activities/Targeted Case Management (MAA/TCM) program, and designate the Chief Administrative Office (CAO) as the lead “Local Government Agency” (LGA) to coordinate countywide participation in the MAA/TCM program.
2. Approve interim ordinance authority for three additional positions pursuant to County Code Section 6.06.020 to establish the infrastructure needed to manage the MAA/TCM program countywide. These include one Principal Analyst in the CAO and two positions (one Program Specialist IV, A/C and one Accountant III) in the Department of Auditor-Controller, subject to approval by the Department of Human Resources. The annualized cost for the positions is \$322,000, and additional costs for services and supplies, including training, consultant services, communications, etc. are anticipated to total \$100,000. These costs will be offset by MAA/TCM reimbursements, and no additional net County cost (NCC) is anticipated.

The Honorable Board of Supervisors

3. Delegate authority to the Chief Administrative Officer, or his designee, to execute the attached contract with the State Department of Health Services (SDHS) for countywide participation in the MAA/TCM program for the period July 1, 2002 through June 30, 2003 (Attachment A), and in subsequent fiscal years, execute contracts with SDHS in substantially similar form to Attachment A, for continued countywide participation in MAA/TCM.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Board approval is requested to allow the CAO and the Auditor-Controller to establish the staffing infrastructure to coordinate countywide participation in the MAA/TCM program. MAA/TCM is a federal reimbursement program which allows participating local government agencies to claim certain qualified activities necessary for the efficient administration of the Medi-Cal Program by improving the availability and accessibility of Medi-Cal services to Medi-Cal eligible and potentially eligible individuals and their families.

Counties that participate in the MAA/TCM program are required to designate a lead LGA. The LGA is responsible for handling all administrative responsibilities for the program, including all correspondence between the County and the State, as well as provide supervision and guidance to County departments regarding the program.

On March 31, 1998, your Board approved the Department of Mental Health (DMH) to act as the County's LGA, as DMH was the only County department claiming for federal reimbursement of MAA/TCM activities at that time. This approval was requested to remain in effect until such time that additional County departments begin to participate in the MAA/TCM program. In addition to DMH, the Departments of Health Services, Probation, and Community and Senior Services want to participate in the MAA/TCM program

After discussion with both DMH and the current outside consultant for the County for MAA/TCM, it is believed a full-time position is needed to serve as the LGA coordinator for the County. Accordingly, the CAO is requesting interim ordinance authority to hire a

Principal Analyst to oversee the County-wide administrative processes associated with maximizing MAA/TCM revenue. Specific responsibilities will include advising County departmental personnel on MAA/TCM program regulations, policies and procedures; representing the County at Statewide MAA/TCM program workgroups and training sessions; advocating and designing strategies to improve program and revenue leveraging opportunities in the County; coordinating the development of departmental Memoranda of Understanding (MOU's) with participating County departments and external entities; and monitoring compliance with MAA/TCM administrative requirements.

The Auditor-Controller will be responsible for all fiscal aspects of MAA/TCM program, including all claiming and reporting, ensuring departments maintain required supporting documentation, representing the County in audits, collecting, disbursing and maintaining claim reimbursement accounts, as well as other fiscal requirements. To manage these tasks, the Auditor-Controller will require interim ordinance authority to hire one Program Specialist IV, A/C and one Accountant III.

Implementation of Strategic Plan Goals

The recommended actions will allow the County to access additional MAA/TCM revenues and will support the Countywide Strategic Plan Goal 4, Fiscal Responsibility, and Goal 5: Children and Families' Well-Being.

FISCAL IMPACT/FINANCING

The annualized cost for the interim ordinance positions is \$322,000, and additional costs for services and supplies, including training, consultant services, and communications are anticipated to total \$100,000. Pending your Board's approval of this program, these positions will be requested in final changes to the Fiscal Year 2003-04 Proposed Budget.

Under the MAA/TCM guidelines, the costs of MAA/TCM coordination and claims administration can be claimed as a direct charge to the program, with fifty percent of these costs being reimbursed with federal Medicaid funds. The remaining non-reimbursed

infrastructure cost, will be apportioned to the participating County departments and agencies, and will be funded by the departments existing available appropriation. It is anticipated that these apportioned costs will be fully offset by MAA/TCM reimbursements received by the County.

Annual MAA/TCM revenues claimed by DMH are approximately \$5.0 million. As the MAA/TCM program is expanded to include other claiming units within County departments currently providing MAA/TCM eligible activities, annual revenues for this program, including DMH, are anticipated to total as much as \$24.0 million.

The State charges an annual program participation fee which is used by the State to cover their cost of administering the MAA claiming process. The participation fee is based on historical claimed costs by the County, and generally approximates 2% of total claims. The participation fee for FY 2003-04 has not been determined by the State, however it is not anticipated that it will exceed the current budgeted annual fee which is \$96,000. This fee is anticipated to be offset by MAA/TCM reimbursements received by the County.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

MAA/TCM qualified activities include: Program Planning and Policy Development, Outreach, MAA Coordination and Claims Administration facilitating Medi-Cal applications, Medi-Cal non-emergency transportation and contracting for Medi-Cal services, as well as case management for certain Medi-Cal beneficiaries.

To qualify for federal reimbursement, the local government must comply with documentation and claiming instructions for the MAA/TCM program. A State-wide consortium of counties represents the interests of participating LGAs throughout the State. Currently Butte County is the County's "host entity" in the consortium, and its services are expected to be similar to those identified in Attachment B.

The Honorable Board of Supervisors

IMPACT ON CURRENT SERVICES (OR PROJECTS)

There will be no impact on current services. This request will allow for a countywide participation in MAA/TCM, and for reimbursement of services already being provided. In addition, this request will allow the appointed LGA coordinator to serve as the County liaison with the SDHS, and the A-C to provide all financial responsibilities for the program.

Respectfully submitted,

DAVID E. JANSSEN

Scope of Work**

ARTICLE I - LGA RESPONSIBILITIES

- A. Perform Medi-Cal Administrative Activities (MAA) on behalf of the SDHS to assist in the proper and efficient administration of the Medi-Cal Program by improving the availability and accessibility of Medi-Cal services to Medi-Cal eligible and potentially eligible individuals, and their families (where appropriate) served by the Local Governmental Agency (LGA).

The following MAA are eligible for Federal Financial Participation (FFP) only when they are identified in a MAA Claiming Plan approved by the State and the Centers for Medicare and Medicaid Services (CMS).

1. **MEDI-CAL OUTREACH**: The only allowable Medi-Cal outreach for purposes of Medi-Cal administrative claiming is to groups or individuals targeted to two goals:
 - a. Bringing potential eligibles into the Medi-Cal system for the purpose of determining Medi-Cal eligibility; and
 - b. Bringing Medi-Cal eligible people into Medi-Cal services (information and referral).

Outreach may consist of discrete campaigns or may be an ongoing activity, such as: sending teams of employees into the community to contact homeless alcoholics or drug abusers; establishing a telephone or walk-in service for referring persons to Medi-Cal services or eligibility offices; operating a drop-in community center for underserved populations, such as minority teenagers where Medi-Cal eligibility and service information is disseminated. Local Education Agencies (LEAs) may only conduct outreach to the populations served by their school districts, i.e., students and their parents or guardians. LEA staff providing Medi-Cal Targeted Case Management (TCM) services pursuant to W&I Code Section 14132.06, shall not be permitted to claim for MAA.

NOTE: Public health outreach conducted by LGAs shall not duplicate the requirements on Medi-Cal managed care providers to pursue the enrollment of Medi-Cal eligibles in their service areas.

NON ALLOWABLE: Some activities are not considered Medi-Cal outreach under any circumstances, as follows:

- a. General preventive health education programs or campaigns addressed to lifestyle changes in the general population (e.g., **Substance Abuse Narcobris Education (SANE), Drug Abuse Resistance Education (DARE)**, dental prevention, antismoking, alcohol reduction, etc.) are not allowable MAA.
- b. Outreach campaigns directed toward encouraging persons to access social, educational, legal or other services not covered by Medi-Cal are not allowable.

ALLOWABLE: Allowable outreach activities shall be discounted by the Medi-Cal percentage or not discounted as follows:

- a. **NOT DISCOUNTED**: Outreach campaigns directed to the entire population to encourage potential Medi-Cal eligibles to apply for Medi-Cal are allowable, and the costs do not have to be discounted by the Medi-Cal percentage. These campaigns are Medi-Cal only eligibility outreach campaigns.

Outreach campaigns directed toward bringing Medi-Cal eligibles into Medi-Cal covered services are allowable and the costs do not have to be discounted by the Medi-Cal percentage. In such campaigns, the language should clearly indicate that the message:

is directed only to persons eligible for Medi-Cal, and not the general public. These campaigns are service campaigns, targeted on specific Medi-Cal services, such as Early and Periodic Screening, Diagnosis and Treatment (EPSDT).

Exhibit A Scope of Work

A health education program or campaign may be allowable as a Medi-Cal administrative cost if it is targeted specifically to Medi-Cal services and for Medi-Cal eligible individuals, such as an educational campaign on immunization addressed to parents of Medi-Cal children. If the entire campaign is focused on Medi-Cal, the costs need not be discounted.

- b. **DISCOUNTED:** Outreach campaigns directed towards bringing specific high risk populations (including both Medi-Cal and non-Medi-Cal persons) for example low income pregnant women or substance abusers into health care services are only allowable to the extent they bring Medi-Cal eligibles into Medi-Cal services the costs of these activities are claimable as Medi-Cal administration, but discounted by the Medi-Cal percentage.

If a specific Medi-Cal health education program is included as part of a broader general health education program, the Medi-Cal portion may be allowable if the cost of the general health education program is discounted according to the Medi-Cal percentage.

Telephone, walk-in, or drop-in services for referring persons to Medi-Cal services, sometimes called "Information and Referral" are also allowable and discounted by the Medi-Cal percentage.

County-wide averages or other methods approved by the State and the CMS for calculating the Medi-Cal percentage discount may be utilized.

The LGA may contract with non-governmental agencies or programs to conduct outreach activities. The subcontracted providers of TCM services, except in local education agencies, may conduct outreach activities, so long as the TCM service(s) and outreach activities are not performed by the same subcontractor employee. The subcontracted providers shall maintain an accurate accounting and reporting of the time spent on providing TCM services and performing allowable MAA outreach activities.

- 2. **FACILITATING MEDI-CAL APPLICATION (Eligibility Intake):** This activity includes explaining Medi-Cal eligibility rules and the Medi-Cal eligibility process to prospective applicants; assisting an applicant to fill out a Medi-Cal eligibility application; gathering information related to the application and eligibility determination or redetermination from a client, including resource information and third party liability information, as a prelude to submitting a formal Medi-Cal application to the county welfare department; and/or providing necessary forms and packaging all forms in preparation for the Medi-Cal eligibility determination. This activity does not include the eligibility determination itself. These costs do not have to be discounted by the Medi-Cal percentage.

The LGA may contract with non-governmental agencies or programs to conduct eligibility intake activities. Providers of TCM services may conduct eligibility intake, so long as the TCM service(s) and eligibility intake are not performed by the same employee. The non-governmental agencies or programs shall maintain an accurate accounting and reporting of the time spent on providing TCM services and performing Medi-Cal eligibility intake activities.

- 3. **NON-EMERGENCY, NON-MEDICAL TRANSPORTATION:** The actual costs of arranging and providing non-emergency, non-medical transportation, and accompaniment, when medically necessary, by an attendant (not a TCM case manager) of Medi-Cal eligibles to Medi-Cal services are allowable as a Medi-Cal administrative cost to the extent that such costs are actually borne by the LGA in accordance with 42 Code of Federal Regulations, Section 440.170. Examples of allowable non-emergency, non-medical transportation costs include taxi vouchers, bus tokens, mileage, etc. The cost of providing non-emergency, non-medical transportation for which no actual cost is borne by the State or LGA is not an allowable MAA cost.

SEPARATE TRANSPORTATION UNIT OR SERVICE: In situations where a LGA operates a separate transportation unit or contracts for the provision of transportation services, the costs of the unit or the contractor of actually providing the Medi-Cal non-emergency, non-medical transportation services for Medi-Cal eligibles to Medi-Cal covered services is an allowable Medi-Cal administrative cost. Costs may be calculated on a per mile or per trip basis for each Medi-Cal client transported, or by any other method allowed by Federal Law and Regulation.

Exhibit A Scope of Work

TRANSPORTATION COSTS AND TCM: The costs of arranging for transportation of Medi-Cal eligibles to Medi-Cal services are part of the TCM rate. Therefore, the costs incurred by TCM case managers in arranging transportation for Medi-Cal eligibles to Medi-Cal services are not claimable as Medi-Cal administration. The TCM rate includes the travel costs incurred by the TCM case manager in providing the TCM services. A TCM case manager may transport or accompany a Medi-Cal eligible to a Medi-Cal service appointment only if the case manager is performing case management functions while actually accompanying the client. In such situations, the costs of the accompanying and transportation will be in the TCM rate and should not be claimed separately as an administrative activity.

4. **MAA IMPLEMENTATION TRAINING:** MAA Implementation Training activities include the giving or receiving of training related to the overall implementation of the MAA program. For example, general training on MAA and/or conducting MAA time surveys.

OTHER TRAINING: Training activities shall be time studied in accordance with the purpose of the training. For example, training related to Medi-Cal outreach shall be claimed as "Outreach"; training related to assisting a potential applicant complete a Medi-Cal application shall be claimed as "Facilitating Medi-Cal Application", etc. Training that is unrelated to MAA is not allowable.

5. **CONTRACTING FOR MEDI-CAL SERVICES:** This activity involves entering into contracts with community based organizations or other provider agencies for the provision of Medi-Cal services other than TCM and/or MAA. The costs of TCM subcontract administration should be included in the TCM rate.

NOTE: LGAs have the option of claiming the costs of contract administration for allowable MAA, such as Outreach, under that activity or the costs may be claimed under Contract Administration. Under no circumstances are the costs of contract administration for allowable MAA to be claimed under both Contract Administration and the activity, such as Outreach. Contracting for Medi-Cal services may only be claimed under Contract Administration.

Contracting for Medi-Cal services and/or MAA is claimable as an administrative activity when the administration of those contracts meets all of the following criteria:

- a. The contract administration is performed by an identifiable unit of one or more employees, whose tasks officially involve contract administration, according to the duty statements or job descriptions of the employees being claimed.
- b. The contract administration involves contractors that provide Medi-Cal services and/or MAA. The costs of contracting for TCM services with non-LGA providers should be claimed as part of the TCM rate. These costs can not be separately claimed as MAA.
- c. TCM case managers and LGA subcontractors, except for school district staff, cannot claim for contract management. It is claimable only when performed by a LGA. Schools may contract for Medi-Cal services in connection with the LEA billing option.
- d. The administrative costs of contracting by LGAs as service providers under managed care arrangements may not be claimed administratively and are considered to be in the managed care capitation payment to the LGA.
- e. The contract administration must be directed to one or more of the following goals:
 - (1) Identifying, recruiting, and contracting with community agencies as Medi-Cal service contract providers;
 - (2) Providing technical assistance to Medi-Cal subcontractors regarding County, State and Federal regulations;

Exhibit A
Scope of Work

- (3) Monitoring provider agency capacity and availability; and
- (4) Ensuring compliance with the terms of the contract.

The contracts being administered must be for Medi-Cal services and/or MAA and may involve Medi-Cal populations only or may be general medical service contracts involving Medi-Cal and other indigent, non-Medi-Cal populations. When the contract involves a Medi-Cal and non-Medi-Cal population, the costs of contract administration shall be **discounted** by the Medi-Cal percentage.

6. **PROGRAM PLANNING AND POLICY DEVELOPMENT (PP&PD)**: This activity may be claimed at the ENHANCED rate (75 percent FFP) if performed by an SPMP, or the NON-ENHANCED rate (50 percent FFP) if performed by a non-SPMP.

NOT ALLOWABLE: This activity is not allowable if staff performing this function are employed full-time by LGA service providers, such as clinics. The full costs of the employees salary are assumed to be included in the billable fee-for-service rate and separate MAA claiming is not allowed.

This activity is not allowable if staff who deliver services part-time in a LGA service provider setting, such as a clinic, are performing PP&PD activities relating to the service provider setting in which they deliver services.

This activity is not allowable when performed by a TCM case manager.

ALLOWABLE: This activity is claimable when performed, either part-time or full-time, by one or more LGA/LEA employees and subcontractors whose tasks officially involve PP&PD. LGA/LEA employees performing this activity must have the tasks identified in the employees position descriptions/duty statements. If the programs serve both Medi-Cal and non-Medi-Cal clients, the costs of PP&PD activities must be allocated according to the Medi-Cal percentages being served by the programs.

This activity is claimable as a direct charge for Medi-Cal administration only when program planning and policy development is performed by a unit of one or more LGA/LEA employees who spend 100 percent of their paid working time performing this activity. This activity is claimable **ONLY** if the administrative amounts being claimed for PP&PD persons and activities are not otherwise included in other claimable cost pools; and the amounts being claimed for such persons employed by **(and activities taking place in)** a service provider setting are not otherwise being reimbursed through the billable service rate of that provider. Costs for persons performing this activity less than 100 percent of their time will be based on a time-survey.

In LGAs with county-wide managed care arrangements, PP&PD activities are claimable as Medi-Cal administration only for those services that are excluded from the managed care contracts.

Under the conditions specified above, the following tasks are allowable as MAA under this activity:

- a. Developing strategies to increase Medi-Cal system capacity and close Medi-Cal service gaps. This includes analyzing Medi-Cal data related to a specific program or specific group.
- b. Interagency coordination to improve delivery of Medi-Cal services.
- c. Developing resource directories of Medi-Cal services/providers.
- d. For subcontractors, some PP&PD support services are allowable, e.g., developing resource directories, preparing Medi-Cal data reports, conducting needs assessments, or preparing proposals for expansion of Medi-Cal services.

7. **GENERAL ADMINISTRATION**: This includes activities that are eligible for cost distribution on an OMB Circular A-87 approved cost allocation basis. These costs are to be distributed proportionately to all of the activities performed:

**Exhibit A
Scope of Work**

- a. Attend or conduct general, non-medical staff meetings;
 - b. Develop and monitor program budgets;
 - c. Provide instructional leadership, site management, supervise staff, or participate in employee performance reviews;
 - d. Review departmental or unit procedures and rules;
 - e. Present or participate in, in-service orientations and programs;
 - f. Participate in health promotion activities for employees of the LGA; and
 - g. Earn compensatory time off (CTO).
8. **PAID TIME OFF:** This activity is to be used by all staff involved in MAA to record usage of paid leave, including vacation, sick leave, holiday time and any other employee time off that is paid. This does not include lunch or meal breaks, off payroll time, or CTO which shall be allocated as prescribed by the State.
9. **TCM/MAA COORDINATION AND LGA CLAIMS ADMINISTRATION:** LGA employees whose position description/duty statement includes the administration of TCM and MAA on a LGA-wide basis, may claim for the costs of these activities on the MAA invoice as a direct charge. Costs incurred in the preparation and submission of MAA claims at any level, including staff time, supplies, and computer time, may be direct charged.

If the TCM/MAA Coordinator and/or claims administration staff are performing this function part-time, along with other duties, they must certify the percentage of total time spent performing the duties of TCM/MAA coordination and/or claims administration. The percentage certified for the TCM/MAA Coordinator and/or claims administration staff activities must be used as the basis for federal claiming.

- A. The TCM/MAA Coordinator and claims administration staff may claim the costs of the following activities, as well as any other reasonable activities directly related to the LGA's administration of TCM services and MAA at the LGA-wide level:
- a. Drafting, revising, and submitting MAA Claiming Plans, and TCM performance monitoring plans.
 - b. Serving as liaison with and monitoring the performance of claiming programs within the LGA and with the State and Federal Governments on TCM and MAA.
 - c. Administering LGA claiming, including overseeing, preparing, compiling, revising and submitting TCM and MAA invoices on a LGA-wide basis to the State.
 - d. Attending training sessions, meetings, and conferences involving TCM and/or MAA.
 - e. Training LGA program and subcontractor staff on State, Federal, and Local requirements for TCM and/or MAA claiming.
 - f. Ensuring that TCM and/or MAA invoices do not duplicate Medi-Cal invoices for the same services or activities from other providers. This includes ensuring that services are not duplicated when a Medi-Cal beneficiary receives TCM services from more than one case manager.

NOTE: The costs of the TCM/MAA Coordinator's time and claims administration staff time must not be included in the TCM rate or in MAA claiming, since the costs associated with the time are to be direct charged. Charges for supervisors, clericals, and support staff for these employees may be allocated based upon the percentage of certified time of the TCM/MAA Coordinator and claims administration staff. The costs of TCM claiming activity at the TCM provider level are to be included in the TCM rate.

 - (2) Non-claimable activities.
 - (3) General administration and paid time off in which they will be proportionately allocated to all activities.

Said invoice should be clearly marked "Final Invoice", thus indicating that all payment obligations of the State under this agreement have ceased and that no further payments are due or outstanding.
- B. The State may, at its discretion, choose not to honor any delinquent final invoice if the Contractor fails to obtain prior written State approval of an alternate final invoice submission deadline. Written State approval shall be sought from the program contract manager prior to the expiration or termination date of this agreement.
- C. The Contractor is hereby advised of its obligation to submit, with the final invoice, a "Contractor's Release (Exhibit E)" acknowledging submission of the final invoice to the State and certifying the approximate percentage amount, if any, of recycled products used in performance of this agreement.

5. Restrictions on the Use of Federal Block Grant Funds

Pursuant to 42 U.S.C. Section 704, Contractor shall not use funds provided by the agreement to:

- 1) Provide inpatient services;
- 2) Make cash payment to intended recipients of health services;
- 3) Purchase or improve land, purchase, construct or permanently improve any building or other facility or purchase major medical equipment;
- 4) Satisfy any requirement for the expenditure of non-federal funds as a condition for the receipt of federal funds;
- 5) Provide financial assistance to any entity other than a public or nonprofit private entity for research or training services; or
- 6) Make payment for any item or service (other than an emergency item or service) furnished by: 1) an individual or entity during the period such individual or entity is excluded from participation in any other federally funded program, or 2) at the medical direction or on the prescription of a physician during the period when the physician is excluded from participation in any other federally funded program.

6. Invoice and Expenditure information

- A. Provide the State with complete invoice and expenditure information to include in the Center for Medicare and Medicaid Services (CMS) 64 no later than eighteen (18) months after the end of the quarter for which the claim was submitted. This information shall be provided in a standardized Summary Invoice and Detailed Invoice as identified in Exhibit E, Article II, State Responsibilities. The Summary Invoice must be submitted under the LGA's original letterhead and have an original signature of a person who has been granted the authority by the LGA to sign this invoice on behalf of the LGA.

The Detailed Invoice identifies the claim categories to which expenditure data must adhere for insertion into the CMS 64. A separate detailed invoice shall be submitted for each program, clinic, non-governmental entity and subcontractor claiming MAA costs pursuant to this Contract, except for contracted employees under the direct control of the LGA. Contracted employees' costs shall be aggregated and reported in accordance with the MAA Invoice instructions. The Detailed Invoice(s) for each of the programs being claimed shall correspond to the name of the claiming programs identified in the LGAs MAA Claiming Plan.

- B. Certify the non-federal match from the LGA's General Fund, or from any other funds allowed under federal law and regulation, for Title XIX funds claimed for MAA performed pursuant to W&I Code Section 14132.47. The following certification statement shall be made on each invoice submitted to the State for payment for the performance of MAA:

"I certify under penalty of perjury that the information provided on this invoice is true and correct, based on actual expenditures for the period claimed, and that the funds/contributions have been expended as necessary for federal matching funds pursuant to the requirements of 42 CFR 433.51 for allowable administrative activities and that these claimed expenditures have not been nor will not subsequently be used for federal match in this or any other program. I have notice that the information is to be used for filing of a claim with the Federal Government for federal funds and knowing misrepresentation constitutes violation of the Federal False Claims Act."

The State shall deny payment of any claim submitted under this Contract if it determines that the certification is not adequately supported for purposes of Federal Financial Participation (FFP).

7. Fiscal Provisions

Reimbursement under this contract shall be made in the following manner:

- a. Upon the LGA's compliance with all provisions pursuant to this Contract, and upon the submission of a quarterly Summary Invoice and Detailed Invoice(s), the State agrees to process claims for reimbursement. Reimbursement is conditioned on the LGA supplying the aforementioned valid and substantiated information, satisfactorily to the State within the time limits specified in this Contract. Reimbursement shall not be withheld pending the submission of similar claims by other LGAs who have entered into a similar Contract.

- b. The Summary Invoice and Detailed Invoice shall be submitted quarterly, in triplicate, to:

State Department of Health Services

Sacramento, CA 95814

- c. The attached Exhibit B, Attachment II "Claiming Overhead Costs" and Attachment III entitled "Requirements of Enhanced Federal Financial Participation" respectively, are incorporated by reference and made part of this Contract as though fully set forth herein. Both the State and the LGA agree that the validity and enforceability of this Contract are contingent upon the availability of funds appropriated by the U.S. Congress.
- d. This Contract will automatically terminate, without penalty by operation of law, at the end of the term for which funds are appropriated by the U.S. Congress.
- e. Transfer of funds is contingent upon the availability of FFP.
- f. The LGA shall reply in a timely manner, to any request for information or to audit exceptions by state and federal audit agencies that directly relate to the MAA to be performed under this Contract.

Both parties to this Contract recognize that the LGA is liable only for an audit exception which relates to administrative activities under this contract, and has no liability for any other LGA which may enter into a similar Contract with the State for the performance of MAA.

8. Participation of Medi-Cal Administrative Claiming Process

- a. As a condition of participation in the Medi-Cal Administrative Claiming process, and in recognition of revenue generated to each LGA in the Medi-Cal Administrative Claiming process, each LGA shall pay an annual participation fee through a mechanism agreed to by the State and LGAs, or, if no agreement is reached by August 1 of each year, directly to the State.
- b. The participation fee shall be used to cover the cost of administering the Medi-Cal Administrative Claiming process, including, but not limited to, claims processing, technical assistance, and monitoring. The State shall determine and report staffing requirements upon which projected costs will be based.
- c. The amount of the participation fee shall be based upon the anticipated State salaries, benefits, operating expenses and equipment, necessary to administer the Medi-Cal Administrative Claiming process and other costs related to that process.

CLAIMING OVERHEAD COSTS

If one of the components of cost to be claimed as part of Medi-Cal administration is Local Governmental Agency (LGA) overhead costs, then there are certain federal requirements that must be met. In order to claim LGA administrative overhead (County or City Central Services) costs, also referred to as "External Administrative Overhead" costs, these entities must have a State Controller's Office approved LGA administrative overhead cost allocation plan for the applicable period and these costs must be claimed in accordance with the plan. A local governmental agency's plan is submitted to the California State Controller's Office, which was delegated authority from the Federal Government to approve it.

Internal (departmental) administrative overhead costs are allowable for FFP only if there is a departmental overhead indirect cost allocation plan prepared and on file for audit purposes for the applicable period and costs are claimed in accordance with it following Federal Office of Management and Budget (OMB) Circular A-87 guidelines.

NOTE: Both external and internal administrative cost allocation plans must comply with provisions of the federal OMB Circular A-87, entitled "Cost principles applicable to grants and contracts with State and local governments" and Federal Publication OASC-10, entitled "A Guide for State and Local Governments/Cost Principles and Procedures for Establishing Cost Allocation Plans and Indirect Cost Rates for Grants and Contracts with the Federal Government."

REQUIREMENTS OF ENHANCED FEDERAL FINANCIAL PARTICIPATION

Stipulations for enhanced funding:

Per 42 CFR, Section 432.2 et seq., and Section 433.1 et seq., Skilled Professional Medical Personnel (SPMP), and directly supporting staff, eligible for enhanced funding are defined as physicians, dentists, nurses, and other specialized personnel who have professional education and training in the field of medical care or appropriate medical practice and who are in an employer-employee relationship with the LGA. SPMP's do not include other nonmedical health professionals such as public administrators, medical analysts, lobbyists, senior managers or administrators of public assistance programs or of the Medi-Cal program.

The seventy-five percent (enhanced) federal matching rate is only available for an LGA that is contractually linked to the State Department of Health Services to perform MAA. The enhanced federal matching rate can be claimed for salaries, benefits, travel and training of SPMP and their directly supporting clerical staff who are in an employee-employer relationship with the LGA and are involved in activities that are necessary for the proper and efficient administration of the Medi-Cal Program.

Fifty percent (non-enhanced) federal matching rate can be claimed for any of the LGA's staff, or subcontractors, involved in the performance of activities that are necessary for the proper and efficient administration of the Medi-Cal Program. This includes claiming for SPMP and directly supporting clerical staff performing related activities that are non-enhanced. Additionally, the ability to claim SPMP under the MAA Program is activity driver not education based. Expenditures for the actual furnishing of medical services by SPMP do not qualify for reimbursement via Medi-Cal Administrative Claiming, as medical services are paid for in the fee-for-services system.

Qualifying SPMP costs may be matched at the 75 percent rate in proportion to the time worked by SPMP in performing those duties that require professional medical knowledge and skills, as evidenced by position descriptions, job announcements, or job classifications.

- c. The Contractor will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding a notice, to be provided by the Federal Government or the State, advising the labor union or workers' representative of the Contractor's commitments under the provisions herein and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
- d. The Contractor will comply with all provisions of and furnish all information and reports required by Section 503 of the Rehabilitation Act of 1973, as amended, the Vietnam Era Veterans' Readjustment Assistance Act of 1974 (38 U.S.C. 4212) and of the Federal Executive Order No. 11246 as amended, and of the rules, regulations, and relevant orders of the Secretary of Labor.

- f. In the event of the Contractor's noncompliance with the requirements of the provisions herein or with any federal rules, regulations, or orders which are referenced herein, this agreement may be cancelled, terminated, or suspended in whole or in part and the Contractor may be declared ineligible for further federal and state contracts in accordance with procedures authorized in Federal Executive Order No. 11246 as amended and such other sanctions may be imposed and remedies invoked as provided in Federal Executive Order No. 11246 as amended, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.
- g. The Contractor will include the provisions of Paragraphs a through g in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to Federal Executive Order No. 11246 as amended, or Section 503 of the Rehabilitation Act of 1973 or (38 U.S.C. 4212) of the Vietnam Era Veteran's Readjustment Assistance Act, so that such provisions will be binding upon each subcontractor or vendor. The Contractor will take such action with respect to any subcontract or purchase order as the Director of the Office of Federal Contract Compliance Programs or DHS may direct as a means of enforcing such

provisions including sanctions for noncompliance provided, however, that in the event the Contractor becomes involved in, or is threatened with litigation by a subcontractor or vendor as a result of such direction by DHS, the Contractor may request in writing to DHS, who, in turn, may request the United States to enter into such litigation to protect the interests of the State and of the United States.

2. Travel and Per Diem Reimbursement

(Applicable if travel and/or per diem expenses are reimbursed with contract funds.)

Reimbursement for travel and per diem expenses from DHS under this agreement shall, unless otherwise specified in this agreement, be at the rates currently in effect, as established by the California Department of Personnel Administration (DPA), for nonrepresented state employees. If the DPA rates change during the term of the agreement, the new rates shall apply upon their effective date and no amendment to this agreement shall be necessary. Exceptions to DPA rates may be approved by DHS upon the submission of a statement by the Contractor indicating that such rates are not available to the Contractor. No travel outside the State of California shall be reimbursed without prior written authorization from DHS.

3. Procurement Rules

(Applicable to all agreements in which equipment, miscellaneous property, commodities and/or supplies are furnished by DHS or expenses for said items are reimbursed with state or federal funds.)

a. Equipment definitions

Wherever the term equipment and/or miscellaneous property is used, the following definitions shall apply:

- (1) **Major equipment:** A tangible or intangible item having a base unit cost of \$5,000 or more with a life expectancy of one (1) year or more and is either furnished by DHS or the cost is reimbursed through this agreement. Software and videos are examples of intangible items that meet this definition.
- (2) **Minor equipment:** A tangible item having a base unit cost of less than \$5,000 with a life expectancy of one (1) year or more that is listed on the DHS Asset Management Unit's Minor Equipment List and is either furnished by DHS or the cost is reimbursed through this agreement. Contractors may obtain a copy of the Minor Equipment List by making a request through the DHS program contract manager.

- b. **Government and public entities** (including state colleges/universities and auxiliary organizations), whether acting as a contractor and/or subcontractor, may secure all commodities, supplies, equipment and services related to such purchases that are required in performance of this agreement. - (1) Equipment purchases shall not exceed \$50,000 annually.

To secure equipment above the annual maximum limit of \$50,000, the Contractor shall make arrangements through the appropriate DHS program contract manager, to have all remaining

equipment purchased through DHS' Purchasing Unit. The cost of equipment purchased by or through DHS shall be deducted from the funds available in this agreement. Contractor shall submit to the DHS program contract manager a list of equipment specifications for those items that the State must procure. The State may pay the vendor directly for such arranged equipment purchases and title to the equipment will remain with DHS. The equipment will be delivered to the Contractor's address, as stated on the face of the agreement, unless the Contractor notifies the DHS program contract manager, in writing, of an alternate delivery address.

- (2) All equipment purchases are subject to Paragraphs d through h of Provision 3. Paragraph b of Provision 3 shall also apply, if equipment purchases are delegated to subcontractors that are either a government or public entity.

The Contractor must provide in its request for authorization all particulars necessary, as specified by DHS, for evaluating the necessity or desirability of incurring such costs. The term "purchase" excludes the purchase of services from a subcontractor and public utility services at rates established for uniform applicability to the general public.
- e. In special circumstances, determined by DHS (e.g., when DHS has a need to monitor certain purchases, etc.), DHS may require prior written authorization and/or the submission of paid vendor receipts for any purchase, regardless of dollar amount. DHS reserves the right to either deny claims for reimbursement or to request repayment for any Contractor and/or subcontractor purchase that DHS determines to be unnecessary in carrying out performance under this agreement.
- f. The Contractor and/or subcontractor must maintain a copy or narrative description of the procurement system, guidelines, rules, or regulations that will be used to make purchases under this agreement. - d. The Contractor and/or Subcontractor shall maintain and administer a sound business program for ensuring the proper use, maintenance, repair, protection, insurance and preservation of state equipment and/or miscellaneous property.

- (1) In administering this provision, DHS may require the Contractor and/or Subcontractor to repair or replace, to DHS' satisfaction, any damaged, lost or stolen state equipment and/or

miscellaneous property. Contractor and/or Subcontractor shall immediately file a theft report with the appropriate police agency or the California Highway Patrol and Contractor shall promptly submit one copy of the theft report to the DHS program contract manager.

- (e) The Contractor and/or Subcontractor, if not a self-insured government and/or public entity, must provide evidence, that any required certificates of insurance contain the following provisions:
 - [1] The insurer will not cancel the insured's coverage without giving thirty (30) calendar days prior written notice to the State (California Department of Health Services).
 - [2] The State of California, its officers, agents, employees, and servants are included as additional insureds, but only with respect to work performed for the State under this agreement and any extension or continuation of this agreement.
 - [3] The insurance carrier shall notify the State of California Department of Health Services, in writing, of the Contractor's failure to pay premiums; its cancellation of such policies; or any other substantial change, including, but not limited to, the status, coverage, or scope of the required insurance. Such notices shall contain a reference to the agreement number for which the insurance was obtained.
- (f) The Contractor and/or Subcontractor is hereby advised that copies of certificates of insurance may be subject to review and approval by the Department of General Services (DGS), Office of Risk and Insurance Management. The Contractor shall be notified by DHS, in writing, if this provision is applicable to this agreement. If DGS approval of the certificate of insurance is required, the Contractor agrees that no work or services shall be performed prior to obtaining said approval.

b. DHS reserves the right to approve or disapprove the selection of subcontractors and with advance written notice, require the substitution of subcontractors and require the Contractor to terminate subcontracts entered into in support of this agreement.

- (1) Contractor represents and warrants that:

- (a) It is free to enter into and fully perform this agreement.
- (b) It has secured and will secure all rights and licenses necessary for its performance of this agreement.

 - (f) It has not granted and shall not grant to any person or entity any right that would or might derogate, encumber, or interfere with any of the rights granted to DHS in this agreement.
 - (g) It has appropriate systems and controls in place to ensure that state funds will not be used in the performance of this agreement for the acquisition, operation or maintenance of computer software in violation of copyright laws.
 - (h) It has no knowledge of any outstanding claims, licenses or other charges, liens, or encumbrances of any kind or nature whatsoever that could affect in any way Contractor's performance of this agreement.
- (2) DHS MAKES NO WARRANTY THAT THE INTELLECTUAL PROPERTY RESULTING FROM THIS AGREEMENT DOES NOT INFRINGE UPON ANY PATENT, TRADEMARK, COPYRIGHT OR THE LIKE, NOW EXISTING OR SUBSEQUENTLY ISSUED.

g. Intellectual Property Indemnity

- (1) Contractor shall indemnify, defend and hold harmless DHS and its licensees and assignees, and its officers, directors, employees, agents, representatives, successors, and users of its products, ("Indemnitees") from and against all claims, actions, damages, losses, liabilities (or actions or proceedings with respect to any thereof), whether or not rightful, arising from any and all actions or claims by any third party or expenses related thereto (including, but not limited to, all legal expenses, court costs, and attorney's fees incurred in investigating, preparing, serving as a witness in, or defending against, any such claim, action, or proceeding, commenced or threatened) to which any of the Indemnitees may be subject, whether or not Contractor is a party to any pending or threatened litigation, which arise out of or are related to (i) the incorrectness or breach of any of the representations, warranties, covenants or agreements of Contractor pertaining to Intellectual Property; or (ii) any Intellectual Property infringement, or any other type of actual or alleged infringement claim, arising out of DHS' use, reproduction, manufacture, sale, offer to sell, distribution, import, export, modification, public and private performance/display, license, and disposition of the Intellectual Property made, conceived, derived from, or reduced to practice by Contractor or DHS and which result directly or indirectly from this agreement. This indemnity obligation shall apply irrespective of whether the infringement claim is based on a patent, trademark or copyright registration that issued after the effective date of this agreement. DHS reserves the right to participate in and/or control, at Contractor's expense, any such infringement action brought against DHS.
- (2) Should any Intellectual Property licensed by the Contractor to DHS under this agreement become the subject of an Intellectual Property infringement claim, Contractor will exercise its authority reasonably and in good faith to preserve DHS' right to use the licensed Intellectual Property in accordance with this agreement at no expense to DHS. DHS shall have the right to monitor and appear through its own counsel (at Contractor's expense) in any such claim or action. In the defense or settlement of the claim, Contractor may obtain the right for DHS to continue using the licensed Intellectual Property; or, replace or modify the licensed Intellectual Property so that the replaced or modified Intellectual Property becomes non-infringing provided that such replacement or modification is functionally equivalent to the original licensed Intellectual Property. If such remedies are not reasonably available, DHS shall be entitled to a refund of all monies paid under this agreement, without restriction or limitation of any other rights and remedies available at law or in equity.
- (3) Contractor agrees that damages alone would be inadequate to compensate DHS for breach of any term of this Intellectual Property Exhibit by Contractor. Contractor acknowledges DHS would suffer irreparable harm in the event of such breach and agrees DHS shall be entitled to

obtain equitable relief, including without limitation an injunction, from a court of competent jurisdiction, without restriction or limitation of any other rights and remedies available at law or in equity.

- i. The State may, at its option, direct its own auditors to perform either of the audits described above. The Contractor will be given advance written notification, if the State chooses to exercise its option to perform said audits.
- j. The Contractor shall include a clause in any agreement the Contractor enters into with the audit firm doing the single organization wide audit to provide access by the State or Federal Government to the working papers of the independent auditor who prepares the single organization wide audit for the Contractor.
- k. Federal or state auditors shall have "expanded scope auditing" authority to conduct specific program audits during the same period in which a single organization wide audit is being performed, but the audit report has not been issued. The federal or state auditors shall review and have access to the current audit work being conducted and will not apply any testing or review procedures which have not been satisfied by previous audit work that has been completed.

(Applicable only to federally funded agreements.)

The Contractor warrants that no person or selling agency has been employed or retained to solicit/secure this agreement upon an agreement of understanding for a commission, percentage, brokerage, or contingent fee, except *bona fide* employees or *bona fide* established commercial or selling agencies retained by the Contractor for the purpose of securing business. For breach or violation of this warranty, DHS shall have the right to annul this agreement without liability or in its discretion to deduct from the agreement price or consideration, or otherwise recover, the full amount of such commission, percentage, and brokerage or contingent fee.

22. Payment Withholds

(Applicable only if a final report is required by this agreement. Not applicable to government entities.)

Unless waived or otherwise stipulated in this contract, DHS may, at its discretion, withhold 10 percent (10%) of the face amount of the agreement, 50 percent (50%) of the final invoice, or \$3,000 whichever is greater, until DHS receives a final report that meets the terms, conditions and/or scope of work requirements of this agreement.

23. Performance Evaluation

(Not applicable to grant agreements.)

DHS may, at its discretion, evaluate the performance of the Contractor at the conclusion of this agreement. If performance is evaluated, the evaluation shall not be a public record and shall remain on file with DHS. 25. Year 2000 Compliance

(Applicable to agreements in which Information Technology (IT) services are provided to DHS or if IT equipment is procured.)

The Contractor warrants and represents that the goods or services sold, leased, or licensed to the State of California, its agencies, or its political subdivisions, pursuant to this agreement are "Year 2000 Compliant." For the purposes of this agreement, a good or services is Year 2000 compliant if it will continue to fully function before, at, and after the Year 2000 without interruption and, if applicable, with full ability to accurately and unambiguously process, display, compare, calculate, manipulate, and otherwise utilize date information. This warranty and representation supersedes all warranty disclaimers and limitations and all limitations on liability provided by or through the Contractor.

26. Prohibited Use of State Funds for Software

(Applicable to agreements in which computer software is used in performance of the work.)

- a. The State and the Regents of the University of California shall mutually defend, indemnify and hold each other and their respective agencies, officers, employees, and agents harmless from and against any and all liability, loss, expense, attorneys' fees, or claims for injury or damages arising out of the performance of this contract but only in proportion to and to the extent such liability, loss, expense, attorneys' fees, or claims for injury or damages are caused by or result from the negligent or intentional acts or omissions of either the State or the Regents of the University of California.
- b. It should be expressly understood that the obligations hereunder shall be conditioned upon this contract being one that falls within the purview of Section 895 of the Government Code.

28. Use of Small, Minority Owned and Women's Businesses

(Applicable to that portion of an agreement that is federally funded and entered into with institutions of higher education, hospitals, nonprofit organizations or commercial businesses.)

Positive efforts shall be made to use small businesses, minority-owned firms and women's business enterprises, whenever possible (i.e., procurement of goods and/or services). Contractors shall take all of the following steps to further this goal.

- (1) Ensure that small businesses, minority-owned firms, and women's business enterprises are used to the fullest extent practicable.
- (2) Make information on forthcoming purchasing and contracting opportunities available and arrange time frames for purchases and contracts to encourage and facilitate participation by small businesses, minority-owned firms, and women's business enterprises.
- (3) Consider in the contract process whether firms competing for larger contracts intend to subcontract with small businesses, minority-owned firms, and women's business enterprises.
- (4) Encourage contracting with consortiums of small businesses, minority-owned firms and women's business enterprises when a contract is too large for one of these firms to handle individually.
- (5) Use the services and assistance, as appropriate, of such organizations as the Federal Small Business Administration and the U.S. Department of Commerce's Minority Business Development Agency in the solicitation and utilization of small businesses, minority-owned firms and women's business enterprises.

29. Alien Ineligibility Certification

(Applicable to sole proprietors entering federally funded agreements.)

By signing this agreement, the Contractor certifies that he/she is not an alien that is ineligible for state and local benefits, as defined in Subtitle B of the Personal Responsibility and Work Opportunity Act. (8 U.S.C. 1601, et seq.)

30. Union Organizing

(Applicable only to grant agreements.)

Grantee, by signing this agreement, hereby acknowledges the applicability of Government Code 16645 through 16649 to this agreement. Furthermore, Grantee, by signing this agreement, hereby certifies that:

- a. No state funds disbursed by this grant will be used to assist, promote or deter union organizing.
- b. Grantee shall account for state funds disbursed for a specific expenditure by this grant, to show those funds were allocated to that expenditure.
- c. Grantee shall, where state funds are not designated as described in 2 above, allocate, on a pro-rata basis, all disbursements that support the grant program.
- d. If Grantee makes expenditures to assist, promote or deter union organizing, Grantee will maintain records sufficient to show that no state funds were used for those expenditures, and that Grantee shall provide those records to the Attorney General upon request.

31. Contract Uniformity (Fringe Benefit Allowability)

(Applicable only to nonprofit organizations.)

Pursuant to the provisions of Article 7 (commencing with Section 100525) of Chapter 3 of Part 1 of Division 101 of the Health and Safety Code, DHS sets forth the following policies, procedures, and guidelines regarding the reimbursement of fringe benefits.

- a. As used herein fringe benefits shall mean an employment benefit given by one's employer to an employee in addition to one's regular or normal wages or salary.
- b. As used herein, fringe benefits do not include:
 - (1) Compensation for personal services paid currently or accrued by the Contractor for services of employees rendered during the term of this agreement, which is identified as regular or normal salaries and wages, annual leave, vacation, sick leave, holidays, jury duty and/or military leave/training.
 - (2) Director's and executive committee member's fees.
 - (3) Incentive awards and/or bonus incentive pay.
 - (4) Allowances for off-site pay.
 - (5) Location allowances.
 - (6) Hardship pay.
 - (7) Cost-of-living differentials
- c. Specific allowable fringe benefits include:
 - (1) Fringe benefits in the form of employer contributions for the employer's portion of payroll taxes (i.e., FICA, SUI, SDI), employee health plans (i.e., health, dental and vision), unemployment insurance, worker's compensation insurance, and the employer's share of pension/retirement plans, provided they are granted in accordance with established written organization policies and meet all legal and Internal Revenue Service requirements.
- d. To be an allowable fringe benefit, the cost must meet the following criteria:
 - (1) Be necessary and reasonable for the performance of the agreement.
 - (2) Be determined in accordance with generally accepted accounting principles.
 - (3) Be consistent with policies that apply uniformly to all activities of the Contractor.
- e. Contractor agrees that all fringe benefits shall be at actual cost.

f. **Earned/Accrued Compensation**

- (1) Compensation for vacation, sick leave and holidays is limited to that amount earned/accrued within the agreement term. Unused vacation, sick leave and holidays earned from periods prior to the agreement term cannot be claimed as allowable costs. See Provision f (3)(a) for an example.
- (2) For multiple year contracts, vacation and sick leave compensation, which is earned/accrued but not paid, due to employee(s) not taking time off may be carried over and claimed within the overall term of the multiple years of the agreement. Holidays cannot be carried over from one contract year to the next. See Provision f (3)(b) for an example.
- (3) For single year agreements, vacation, sick leave and holiday compensation that is earned/accrued but not paid, due to employee(s) not taking time off within the term of the agreement, cannot be claimed as an allowable cost. See Provision f (3)(c) for an example.

(a) **Example No. 1:**

If an employee, John Doe, earns/accrues three weeks of vacation and twelve days of sick leave each year, then that is the maximum amount that may be claimed during a contract period of one year. If John Doe has five weeks of vacation and eighteen days of sick leave at the beginning of the agreement, the Contractor during a one-year agreement term may only claim up to three weeks of vacation and twelve days of sick leave actually used by the employee. Amounts earned/accrued in periods prior to the beginning of the agreement are not an allowable cost.

(b) **Example No. 2:**

If during a three-year (multiple year) agreement, John Doe does not use his three weeks of vacation in year one, or his three weeks in year two, but he does actually use nine weeks in year three; the Contractor would be allowed to claim all nine weeks paid for in year three. The total compensation over the three-year period cannot exceed 156 weeks (3 x 52 weeks).

(c) **Example No. 3:**

If during a single year agreement, John Doe works fifty weeks and used one week of vacation and one week of sick leave and all fifty-two weeks have been billed to DHS, the remaining unused two weeks of vacation and seven days of sick leave may not be claimed as an allowable cost.

32. Lobbying Restrictions and Disclosure Certification

ARE YOU A RESIDENT OR A NONRESIDENT?

Each corporation, individual/sole proprietor, partnership, estate or trust doing business with the State of California must indicate their residency status along with their taxpayer identification number.

A corporation will be considered a "resident" if it has a permanent place of business in California. The corporation has a permanent place of business in California if it is organized and existing under the laws of this state or, if a foreign corporation has qualified to transact intrastate business. A corporation that has not qualified to transact intrastate business (e.g., a corporation engaged exclusively in interstate commerce) will be considered as having a permanent place of business in this state only if it maintains a permanent office in this state that is permanently staffed by its employees.

For individuals/sole proprietors, the term "resident" includes every individual who is in California for other than a temporary or transitory purpose and any individual domiciled in California who is absent for a temporary or transitory purpose. Generally, an individual who comes to California for a purpose which will extend over a long or indefinite period will be considered a resident. However, an individual who comes to perform a particular contract of short duration will be considered a nonresident.

For withholding purposes, a partnership is considered a resident partnership if it has a permanent place of business in California. An estate is considered a California estate if the decedent was a California resident at the time of death and a trust is considered a California trust if at least one trustee is a California resident.

More information on residency status can be obtained by calling the Franchise Tax Board at the numbers listed below:

From outside the United States, call.....1-916-845-6500

PRIVACY STATEMENT

Section 7(b) of the Privacy Act of 1974 (Public Law 93-579) requires that any federal, state, or local governmental agency which requests an individual to disclose his social security account number shall inform that individual whether that disclosure is mandatory or voluntary, by which statutory or other authority such number is solicited, and what uses will be made of it.

The State of California requires that all parties entering into business transactions that may lead to payment(s) from the State must provide their Taxpayer Identification Number (TIN) as required by the State Revenue and Taxation Code, Section 18646 to facilitate tax compliance enforcement activities and to facilitate the preparation of Form 1099 and other information returns as required by the Internal Revenue Code, Section 6109(a). The TIN for individual and sole proprietorships is the Social Security Number (SSN).

It is mandatory to furnish the information requested. Federal law requires that payments for which the requested information is not provided be subject to a 31% withholding and state law imposes noncompliance penalties of up to \$20,000.

You have the right to access records containing your personal information, such as your SSN. To exercise that right, please contact the business services unit or the accounts payable unit of the state agency(ies) with which you transact that business.

Please call the Department of Finance, Fiscal Systems and Consulting Unit at (916) 324-0385 if you have any questions regarding this Privacy Statement. Questions related to residency or withholding should be referred to the telephone numbers listed above. All other questions should be referred to the requesting agency listed in Section 1.

ARE YOU SUBJECT TO NONRESIDENT WITHHOLDING?

Payments made to nonresident payees, including corporations, individuals, partnerships, estates and trusts, are subject to withholding. Nonresident payees performing services in California or receiving rent, lease or royalty payments from property (real or personal) located in California will have 7% of their total payments withheld for state income taxes. However, no withholding is required if total payments to the payee are \$1500 or less for the calendar year.

A nonresident payee may request that income taxes be withheld at a lower rate or waived by sending a completed form FTB 588 to the address below. A waiver will generally be granted when a payee has a history of filing California returns and making timely estimated payments. If the payee activity is carried on outside of California or partially outside of California, a waiver or reduced withholding rate may be granted. For more information, contact:
